

Date: 30th October 2025

To,
Riya Sunil Kharade
R-503, Sector 25 Khandeshwar, New Mumbai
Email: riyasunilkharade.vit@gmail.com

Dear Riya,
We are pleased to offer you the position of “AI & Cloud Research intern” with **INTELLIGENT SYSTEMS PRIVATE LIMITED (“EnterpriseSI”)** for the period of 6 months from **1st November 2025 till 30th April 2026**. You will be mostly working remotely during this period, with a time commitment of 40 hrs per week from you, during semester breaks and 12 hrs per week when semester classes are on, for doing the work assigned you.

You will be working on the below scope to start with, and the scope can change in future depending on the priorities & requirements of the company.

1. Content research & development – AI/Machine Learning, Generative AI, Cloud AI tools, AI business tools, Cloud system design, technologies & app modernization (AWS, Azure, GCP, Databricks, NVIDIA stack)
2. Coding/ developing our hands-on labs and AI Copilots and AI Agents for our programs and Industry Solutions using Machine Learning, Generative AI, Cloud AI tools, AI business tools.
3. Building hands-on capability on new topics in Artificial General Intelligence (AGI)

We would not pay any stipend during this period; however, this position can turn into a paid internship or full-time role in the future, depending entirely on the business requirements that time and your interest in pursuing a long-term career with us. We would be providing you periodic trainings on AI during your internship tenure.

Confidentiality and Intellectual property safeguards:

You will be expected to maintain secrecy of information obtained directly or indirectly during the internship. The said information includes business plan, trade secrets, content, code, hands-on exercises setup, customer information, product architecture and other intellectual property related items. As we are an IP-driven software product & services company, you will be keeping all company related work and assets as confidential/ will not disclose to 3rd party.

Continuation/ Termination of Internship:

The company reserves the right to terminate/ end the internship at any point, with a 7 days notice, in case of unforeseen or business-related circumstances/ reasons or without any notice, in case of performance or behavioural/ discipline related issues.

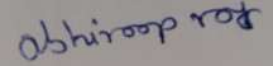

Internship certificate:

An internship certificate will be issued to you if a minimum period of 3 months of internship has been completed by you.

We are excited to welcome you to be a part of the EnterpriseSI family and hope you will have an immersive learning experience, working with us.

For Intelligent Systems Private Limited (EnterpriseSI):

Abhiroop Roy
CEO & Founder

Internship Candidate – Acceptance of the offer

I, **Riya Sunil Kharade** has accepted the Internship offer with the above terms and conditions.
I will abide by all the policies and procedures of the company diligently.
